

**** Important Cafeteria** **News ****

Starting June 1st , students who bring in money for lunch will be given their change. Money will not be added to your account.

Also starting June 1st, if you do not have money for lunch you will receive a peanut butter and jelly sandwich and a carton of milk.

If you bring in a prepayment please count the number of days that are left in the school year and only give us enough money to cover you through your last day of school. We are trying to have a \$0.00 balance left in your account.

If you do have an account balance at the end of the year, that balance will carry over into the next year. If you move into the middle, junior high or high school the balance will follow you there automatically. If you are moving out of the school district and you have a balance please let the cafeteria know.

Thank you. Have a nice summer!
