October 9, 2020

Dear North Syracuse Central School District Families,

We were notified today that a school bus driver in the District has tested positive for COVID-19. The driver was last at work and transported some students from Allen Road Elementary School, Holy Family, Immaculate Conception, and OCM BOCES on Monday and Tuesday, October 5th and 6th. We have already reached out to the families of the students possibly exposed while Onondaga County Health Department is in the process of doing their contact tracing.

As always, parents should monitor their child for any symptoms associated with COVID 19 and contact their health care provider if their child becomes symptomatic.

We appreciate your support and understanding on this matter. If you have any questions or concerns, please reference the District website at www.nscsd.org.

Sincerely,

Daniel D. Bowles
Superintendent of Schools
North Syracuse Central School District
