2011-2012 School Calendar

Provisions for School Closing

Due to Weather-related Conditions or Other Emergency Situations

The following will apply relative to the 2011-2012 school year calendar to ensure that school closings for emergency situations do not cause the number of days in session to drop below the number required by law.

Contingent School Days

In the event that classes have to be cancelled for more than five (5) days, school will be in session beginning with April 13th and then April 12th, if needed. As a result, staff is cautioned not to commit themselves to any irrevocable plans for the spring recess in the event that any or all of these days will be required to make up for lost instructional days. In the event that there are two (2) or more unused emergency closing days by April 8th, one (1) of those days shall be added to the Memorial Day Holiday, Friday, May 25, 2012.

In the event that the allotted snow/emergency days are not used, K-7 days may be shortened accordingly, based on the snow days not used.
