

The word "May" is written in a pink, cursive font, surrounded by various colorful flowers and green leaves.

So many things are happening as we prepare to end our school year. We have Chorus, Band and Orchestra concerts scheduled early May and they will also be performing for the entire building. Teachers are working on finalizing end of year events for their classes. We will also be practicing more fire and lockdown drills.

Reminder: If you have an appointment for your child or need to pick them up at the end of the day - please send a note in the morning or let us know before noon. If we know before noon, we can make sure your child is ready and not sent on the bus.

Reminder 2: Cell phones & smart watches are not allowed in school at the elementary level, it is the policy in all of our elementary buildings and students should not be on cell phones at all during school hours.

Thinking about next year: If you have requests for your child for next year, please send requests to me (e-mail is best so you can receive a confirmation). Please know I can **NOT** take specific requests with teacher names, but if there is a teaching style you prefer, structured, flexible, quiet we can do our best to accommodate those needs. Our classroom teachers work on grouping their students for next year, so they already have a good idea of what students may need to be separated for next year.
