

Dear Parents or Guardians,

Children in our community do not need to go hungry this summer. For many kids, summertime means food, friends and fun. For families who count on school breakfast and lunch, however, the summer months can be stressful and family food budgets have to be stretched even further. The US Department of Agriculture's (USDA) Summer Food Service Program helps fill the hunger gap.

Free Summer Meal Program Details:

- Meals are **FREE to children and teens ages 18 and younger.**
- Free summer meals will help families **save money** and stretch their already tight food budgets.
- Food served **is healthy and follows USDA nutrition guidelines.**
- No application or proof of income needed. You can just pick up meals at a summer meals site in your community.
