May 19, 2021

Dear Parents and Guardians of Incoming Gillette Road Middle School Students,

I am pleased to invite you to our Fifth Grade Parent Orientation to be held on **June 2** and **June 3**. In keeping with the Onondaga Department of Health's guidance for indoor gatherings, we will provide three 30 minute presentations each these two days. Each household may have two parents/guardians sign up for one of the presentations. All participants must wear a face mask and social distancing of 6 feet. As your child will be attending "Peer-to-Peer" one of the Wednesday's in June, this is an informational event for parents/guardians only.

Please contact me with any questions you might have about this event, and use this link to register for one of the six presentations. [Registration link here.](#)

Sincerely,

A handwritten signature in black ink that reads "David P. Cordone". The signature is written in a cursive style with a large, prominent 'D'.

David. P. Cordone, Principal of Gillette Road Middle School
