2022-2023 School Calendar

Approved 3/21/22

Provisions for School Closing

Due to Weather-related Conditions or Other Emergency Situations

The following will apply relative to the 2022-2023 school year calendar to ensure that school closings for emergency situations do not cause the number of days in session to drop below the number required by law.

Contingent School Days

In the event that classes have to be cancelled for more than five (5) days, school will be in session for all Pre K-12 grade students beginning with April 7th and then April 6th, April 5th, April 4th and April 3th, if needed. As a result, staff is cautioned not to commit themselves to any irrevocable plans for the spring recess in the event that any or all of these days will be required to make up for lost instructional days.

In the event that there are two (2) or more unused emergency closing days by April 15th one (1) of those days, May 26, 2023, shall be added to the Memorial Day Holiday.

In the event that the allotted snow/emergency days are not used, Pre-K-7 days may be shortened accordingly on June 22nd, 21st, and 20th based on the number of snow days not used.
