## SAR GRANT UPDATE

NSEF is excited to see the first-grade classrooms at Roxboro Road Elementary this Fall when they implement the new furniture purchased through a Special Administrative Request (SAR) Grant submitted by retired Principal Jacquelyn Grace working with 1<sup>st</sup> Grade teacher, Sue Winn and approved by the NSEF Board. This grant supports the district's goal to create unique learning spaces for students. We hope to see increased focus from these young students that will lead to more effective learning. NSEF is proud to work with administrators and faculty to provide ways of trying new initiatives for students that do not require additional school budget funds.
