

Cicero Elementary Library Newsletter

Welcome to a new year at the Cicero Elementary Library! I am Mr. DeSantis, the School/Media Specialist here at Cicero. I hope that you enjoyed your summer vacation and are ready for another great year. I know that Mrs. Cone, our Library Aide, and I are very excited for all of the great things happening at the Cicero Elementary Library.

Congratulations to all of those students that logged their summer reading minutes. This summer students from Cicero Elementary read 21,400 minutes. Certificates of participation will be presented to students during their Library time in the opening weeks.

How many books may my student have out?

Kindergarten- 1 book

First- 2 books

Second- 2 books

Third- 3 books

Fourth- 4 books

*If your student forgets their book on Library day they can return it any other day with permission from their classroom teacher.

What happens if my student loses or damages their book?

There are times when books are damaged or lost and when this happens we ask that you please consider either replacing the book with the same title or with another book of the same value. In this situation, more information will come home with your student.

When is the Book Fair?

Each year we are very lucky to have the support of the Cicero PTG in running our Book Fair. This year the Book Fairs will take place in November and April. More information will be sent home as we approach the Fairs. We are always looking for more volunteers to help facilitate these very successful events here in the Library. If you would be interested in volunteering please email Mr. DeSantis at jdesantis@nscsd.org.
