

June 11, 2019

Dear C-NS student,

When you took the SAT on Saturday, June 1, 2019, there was a problem during the administration that prevents us from accurately scoring your test. Unfortunately, this means you'll need to take the test again to get a valid score.

Recognizing how inconvenient this is, we've set up a makeup test for you, at no additional charge, on Saturday, June 15, 2019 at:

CICERO-N SYRACUSE HS  
6002 ROUTE 31  
CICERO, NY 13039

All you have to do is:

1. Sign in at [collegeboard.org/mysat](https://collegeboard.org/mysat) and print your updated admission ticket.
2. Bring your ticket and [acceptable photo ID](#) on test day.
3. Show up at the test center by 7:45 a.m.

If the makeup test date doesn't work for you, we can transfer your registration to another test date at no additional charge.

Remember:

- Your score should be available about three weeks after the makeup test. Check with individual colleges and scholarship programs to find out when they need it.
- All official references to your makeup test score will include your original test date.
- The colleges you originally selected will automatically get your makeup test score. If you want your score sent to other colleges, additional fees will apply starting 10 days after your original test date.
- The SAT Question-and-Answer Service isn't offered for the makeup test. If you paid for this service for the original test date, you'll get a refund.
