- Students who would like to participate are responsible for utilizing a new form each Thursday morning. The forms can be picked up in the counseling office or downloaded from the Counselor's Corner link at the NSJHS website. Please hand the form to the teacher at the start of class, and be sure to get it back before you leave! Use this form on both Thursday and Friday to make sure all of your classes are accounted for!! This progress report can be a very helpful tool when used properly.
