Dear Parents and Teachers of KWS BRE and LRE Students:

After careful deliberation and review of stakeholder input, KWS Bear Road Elementary students will be fully integrated into classes with Lakeshore Road Elementary students throughout the renovation project.

This decision is consistent with our District's mission to create a welcoming, fully-inclusive school community. The District administration, building principals, teachers, and support staff will continue to work to provide a welcoming environment and support our students' social emotional needs throughout the transition process.

As always, please feel free to reach out with any questions.

Sincerely,

Christopher R. Leahey, Ed.D.
