January 11, 2022

Dear NSCSD Staff/Parents and Guardians:

The Onondaga County Health Department has revised their guidance <http://www.ongov.net/health/documents/IsolationQuarantineGuidance.pdf> regarding quarantine and isolation of teachers, staff, and students.

*The January 11 Onondaga County Health Department guidance allows fully-vaccinated students, teachers, and staff, who have been in close contact with an individual with COVID-19 to continue to attend or work at school **regardless of booster status**. Fully vaccinated K-12 students, teachers, and staff who are eligible for but not yet received a booster may attend school and ride the bus (no extracurricular/after-school activities) and remain in quarantine outside of school.*

*Teachers, staff, and students who have been excluded from school for this reason are eligible to return on **Wednesday, January 12**.*

Thank you for your continued patience and support as we work through the challenges associated with COVID-19.

Sincerely,

*Daniel D. Bowles
Superintendent of Schools*
