December 14, 2021

Dear NSCSD Parents and Guardians,

In partnership with Wegmans, the North Syracuse Central School District has scheduled a COVID-19 vaccination clinic for students ages 5 to 11. The clinic (**for first dose vaccinations only**) will take place this **Friday, December 17** from 4 PM to 8 PM at Driver's Village (5885 Circle Drive East, Cicero, NY). The clinic will be held at the DRIVER'S EXPRESS location of Driver's Village. Participants should use the dedicated clinic entrance located between Burdick Mazda and Kia. Parking is available for NSCSD vaccination clinic participants in front of the building. [Click here to see a photo showing where to park.](#)

Parents may register their 5 to 11-year-old child(ren) by [clicking here](#). When registering, first select 12/17/2021 for the date, type 13039 in the zip code field and then click the search button. When "CNS School District *PFIZER* 5 to 11-year-old COVID-19 Vaccine" clinic appears, click the "Schedule" button to proceed with making an appointment. If the clinic does not pop up with a search, that means all appointments have been filled. Parents that register their children for this clinic will automatically be scheduled for the Wegmans' second dose clinic on January 7 at the **same time and location** as their first dose appointment. There is no need to make an appointment for this second dose clinic.

All children must be accompanied by a parent or legal guardian. Parents/guardians should bring their insurance card with them to the clinic. If a student is quarantined, they will not be able to come in for the vaccine.

This vaccine clinic has limited vaccines available. NSCSD will be scheduling additional COVID vaccine clinics for students ages 5 to 11 and will update parents as details become available.

Thank you again for your ongoing support and partnership.

Sincerely

Daniel D. Bowles
Superintendent of Schools
