

January 14, 2021

North Syracuse Central School District Parents and Guardians,

All NSCSD schools will be resuming their hybrid schedule on Tuesday, January 19, 2021.

We are currently in the process of scheduling a second round of voluntary asymptomatic testing in our schools with the Onondaga County Department of Health. Additional information on a second round of asymptomatic testing will be available in all schools and sent to parents within the next few days. The [NYS COVID Report Card](#) will continue to be updated as we receive information on students and staff who test positive.

In an effort to minimize exposure and the spread of COVID-19, we encourage parents to keep their child home if symptomatic and communicate with their school nurse if a child tests positive, is quarantined, or if you have any questions.

Thank you for your patience and continued support as we make our way through the challenges associated with COVID-19 and into the New Year.

Sincerely,

*Daniel D. Bowles
Superintendent of Schools*
