

**North Syracuse Central
School District**

"BRIGHTER TOGETHER"

Daniel D. Bowles
Superintendent of Schools
www.nscsd.org

October 30, 2020

Dear Gillette Road Middle School Parents and Guardians:

The District has been notified that a Gillette Road Middle School student has tested positive for COVID-19.

Based upon the time the student was present in school until testing positive there is no recommendation, from the Department of Health to quarantine any additional students or staff. While confidentiality and privacy constraints prohibit the District from providing personal information about the student impacted, we can let you know that the student was last in attendance on Tuesday, October 27 and is currently quarantined by the County Department of Health.

We continue to work with the Department of Health and all COVID matters and our goal is to keep families aware of issues as they arise.

Sincerely,

Daniel D. Bowles
Superintendent of Schools
