Dear C-NS High School Parents and Guardians:

We have been notified that a non-instructional staff member at C-NS High School has tested positive for COVID-19. The County is currently in the process of performing contact tracing.

While confidentiality and privacy constraints prohibit us from providing personal information about the individual impacted, we can let you know that the individual was last in attendance on Wednesday, November 4 and is currently quarantined by the County Department of Health.

We have identified staff thought to have been in close contact with the individual and have provided that information to the County Department of Health. All individuals suspected to have been in close contact will be quarantined outside of the building. The County Department of Health is in the process of contact any additional individuals.

Instruction at C-NS High School will continue as scheduled. We will continue to closely monitor this situation and communicate updates, if necessary.

Sincerely,
