Hello Cicero-North Syracuse High School families,

As you know, we have been notified by the Onondaga County Department of Health that [all our schools are within the COVID-19 microcluster yellow zone](#). We were informed today that one of our schools has been selected as COVID-19 surveillance test location. **Testing at Cicero-North Syracuse School will take place on Thursday, December 10 and Friday, December 11.**

Parents of students scheduled to be in attendance on Thursday or Friday will need to register their child(ren) using the following email link: <https://covid19.ongov.net/appointments/schools/>. If you are the parent of a C-NS student that normally attends on Thursday or Friday and would like to have your child participate, please use the link to sign your child up for testing. Testing is only available for students that are scheduled to be in attendance on the testing days. The registration must be completed in order to participate.

Testing will be conducted by the Onondaga County Health Department using the [BinaxNow](#) nasal swab (only collects a sample from the lower part of the nostril) that produces results in about 15 minutes. Because a limited number of tests are available, students will only be eligible if they are scheduled to be in attendance on December 10 or 11. Weekly testing will continue until the yellow zone designation is removed.

We received a few questions wondering if family members can accompany their child during the testing process. Parents/guardians may accompany their child during the testing procedure only but will only be allowed in at the child's appointment time and must leave as soon as the sample is taken. Parents/guardians may not wait for test results. Accompanying a child is not a requirement and school staff will be present to offer support to any child undergoing testing. **If you plan to accompany your child, please call the school's main office to let them know.**

While we are working on some logistics, this is what we do know:

- Testing will take place on Thurs., Dec. 10 and Fri., Dec. 11 in the multi-purpose room by the main gym.
- There is no requirement for parents to accompany your child to the testing procedure.
- The County is administering the test and NSCSD employees will be available to help and support students.
- There is no cost associated with this test.
- The testing is only for asymptomatic students. If your student is showing symptoms of COVID-19, please do not sign them up for testing.

Thank you for your flexibility and patience as this yellow zone surveillance testing is new and evolving.

If you have any questions please contact executive principal, Jamie Sullivan at (315) 218-4100.

Sincerely,

Daniel D. Bowles, Superintendent of Schools
