

North Syracuse Central School District

"BRIGHTER TOGETHER"

Daniel D. Bowles
Superintendent of Schools
www.nscsd.org

September 2, 2021

Dear NSCSD Staff Member:

All NSCSD staff are required to comply with Onondaga County Executive Order #22. By reporting to work at a District building, you are attesting to the District that you are in compliance with all provisions of the District's re-opening plan, as well as any State or local rules governing health and safety, including [Onondaga County Executive Order #22](#).

At this time, we are requesting that staff participate in a **voluntary** survey regarding vaccination status, [which is available by clicking here](#). Please complete the online survey by **Tuesday, September 7 and then submit proof of vaccination by emailing a copy of your vaccination card to HRVax@nscsd.org ASAP.**

Vaccination is the leading health prevention strategy and the NSCSD encourages all eligible individuals to consider receiving the COVID-19 vaccine after discussion with their primary care provider. There are many options for obtaining the COVID-19 vaccination. [Click here to learn about additional Onondaga County vaccine clinics](#).

For unvaccinated individuals requiring testing, there are many options for getting COVID-19 testing. [Testing options are provided on the Onondaga County website by clicking here](#).

We look forward to seeing you again and to a safe and enjoyable school year ahead.

Sincerely,

Daniel D. Bowles
Superintendent of Schools
