# 2022 OCM BOCES Regional Summer School

## Attendance Information

All students are expected to attend every day. Summer School is only 24 days, and any absences could have an impact on success. Students who miss more than three (3) days of any one course **may** be dismissed from summer school. If participating in a double block course for only three weeks, absences from three (3) blocks **may** result in dismissal. Occasionally, extenuating circumstances may arise and every effort will be made to accommodate students in those rare situations. Vacations, sports and work obligations are not valid reasons to miss classes. Please plan accordingly. Courses tied to Regents exams will be offered in semester 2.

### Course Times:

- Students assigned to Block 1 will attend from 8:00-10:10 AM
- Students assigned to Block 2 will attend from 10:20-12:30 PM
- Students assigned to a virtual block will attend a 60 minute Google Meet and then have additional asynchronous work assigned.

## Registration Information

- Students **MUST** register with their home school counselor; OCM BOCES **IS NOT ABLE** to register students.
- Registration for courses ends on Wednesday, June 29 @ 12:00 noon.
- There are **NO LATE REGISTRATIONS**
- Schedules will be available online Wednesday, July 6, at 4:00 PM on the Parent Portal and will be mailed that same day.
- Enrollment and staff availability determine when and what courses will be offered; OCM BOCES **cannot** guarantee block or marking period (for 3-week classes) requests.

## Mid-Terms & Final Exams

Students must take mid-term and final exams on scheduled dates as per Board of Education Policy.

## Final Average/Course Credit

**OCM BOCES does not calculate final averages nor award credit.** The home school district will determine whether a student passes or fails and will award credit accordingly based in part on performance data provided by OCM BOCES. Questions about final grades **must** be addressed with the home district. OCM BOCES staff members cannot provide grades to parents or students.

## SchoolTool Access

**PLEASE** note that access to the RSS SchoolTool is different than the District SchoolTool that you access during the school year.

To access the RSS SchoolTool go to:  
<https://ocm.schooltool.cnyric.org/summerschool/>

The SchoolTool parent portal will open on July 6 at 4:00 PM. Parents/Guardians will receive an automated email from School Tool with their access information.

Questions about enrollment, grades and/or course credit should be addressed with the home district.

## Transportation

ALL questions regarding transportation should be directed to the home district. OCM BOCES does not provide transportation.
