Dear CNS Families,

We are very excited to offer our current hybrid students the opportunity to attend school four days a week starting April 19th.

Starting **April 19th**, current hybrid students will now attend school Monday, Tuesday, Thursday and Friday. Wednesday's will be reserved for office hours and we will maintain the same schedule we have followed all year, where all students are remote and they meet with teachers virtually. If your student is a current hybrid student and would like to switch to remote instruction, please call your house principal.

If your student is currently a fully remote learner and is interested in switching to hybrid instruction, please call your house principal. We cannot guarantee that we will be able to accommodate your request to switch your student to hybrid learning, we will however, do our best.

- House I Students (A-G) call Ms. Puchta at 315-218-4102
- House II Students (H-O) call Ms. Lorenzini at 315-218-4202
- House III Students (P-Z) call Ms. Kees at 315-218-4302

All requests must be submitted by April 7th. No additional requests for change in placement for the 2020-2021 school year will be accepted after April 7th.

Please remember that safety is our top priority. In order to ensure the health and safety of every student, we must follow the Onondaga County Health Department guidelines on social distancing in the classroom. We also have some areas of the building where capacity is still limited.

We appreciate your patience as we try to make this transition as smooth as possible for students and staff.

Sincerely,

Jamie Sullivan
